RCP Member DEAL

One free concession item at each production you attend this year. Just show your **STARS card!**

Who we are...

Rockwall Community Playhouse is an all volunteer, 501(c)(3) nonprofit organization operated by and for the members and devoted to quality theatrical productions. RCP provides an environment which fosters and inspires growth, responsibility and creativity in people of all ages and cultures through a broad theater arts program.

In addition to producing mainstage plays each season, we present Teen, Children and Classic Theater productions. Our RCP CAMP BROADWAY opportunities teach theater skills, voice and dance for the youth in our community..

Through our GUILD volunteers, we provide support, assistance, entertainment and educational programs to our schools and service clubs. We offer a Scholarship program to college-bound theater students as well as selected theater majors who are already attending college.

Our Proud Past...

Since our beginning in 1995, we have come a long way from just producing plays. We have developed new programs, expanded our volunteer pool, refined procedures, taken plays to regional competition, and we continually offer new and exciting programs and special events for the public.

Our play selections have included mysteries, drama, one-acts, Shakespeare, and classics—in addition to our popular comedies and musicals. Our shows regularly sell out.

Our community support continues to expand with the awards of new corporate and City grants and an explosion of new season subscribers and audience attendance. We have added traveling shows and outdoor festivals to our growing list of accomplishments. We invite you to volunteer and help us continue to thrive.

Our Exciting Future...

Just three years after our inception, RCP purchased our current theater home. Now, our seasons are planned and promoted in advance; our educational programs have been expanded and our contributions to the community can be even more durable as we share our assets.

We are continuing to improve our facility and provide increased comfort for our patrons. Positioning ourselves for the future, we now own 7 acres of land a few blocks from our current home and our vision is to build a new facility in the not too far future.

We invite you to become a member of Rockwall Community Playhouse. Through your annual support, we will continue to enhance our community theater and provide opportunities for public education and entertainment that will make us all proud. Be a part of Rockwall history!

Join RCP for the fun of theater—be part of the family!
